Abbottswood Medical Centre offers its diabetic patients the choice of participating in the Electronic Paper Record (EPR).

What is the Electronic Paper Record (EPR)

- Allows an instant view of your accurate up-to-date vital clinical information to be available to Out Of Hours service and Redditch and Bromsgrove Clinical Navigation Unit to enable them to provide enhanced and more efficient care should you need care outside of surgery hours.
- The clinician will always ask for your permission before accessing your EPR.

Please tick box if you DO NOT want to participate in the EPR

No I would not like to participate in the EPR ☐

If you want to participate in the Electronic Paper Record you do not have to do anything, your data will be automatically included.
