Abbottswood Medical Centre offers its diabetic patients the choice of participating in the National Diabetes Audit (NDA)

What is the National Diabetes Audit (NDA)?

- NDA is a major national clinical audit, which measures the effectiveness of diabetes healthcare against NICE Clinical Guidelines and NICE Quality Standards.
- Once it has matched primary care records to secondary records all identity is stripped from the search before it is sent on to the auditors.
- For more information visit <https://www.diabetes.org.uk/Professionals/Resources/National-Diabetes-Audit/>

Please tick box if you DO NOT want to participate in the NDA
